

KidCareCHIP

Wyoming's Choice for Healthy Kids

Provider Directory

**BlueCross BlueShield
of Wyoming**

An independent licensee of the Blue Cross
and Blue Shield Association

How to use this directory

Welcome

Each health care provider in the directory has agreed to participate with Blue Cross Blue Shield of Wyoming for the Kid Care CHIP program. Services must be provided by the health care professionals, hospitals, and surgical centers listed in this directory.

Please remember, should you see a health care provider who is not participating in Kid Care CHIP, services will not be covered by Blue Cross Blue Shield of Wyoming and you will be responsible for all charges.

The status of the network is subject to change and providers listed are not a guarantee of payment for services. Although Blue Cross Blue Shield of Wyoming tries to keep this directory up to date, changes occur due to circumstances beyond our control. You may need to contact a provider directly to be sure they are currently accepting new patients. For specific benefit information, please refer to your Kid Care CHIP Handbook, or you may call member services at 1-800-209-9720.

Using This Directory

We encourage you to select a primary care doctor from the Kid Care CHIP network that you feel comfortable with, who knows your child's health history and is the provider you plan to see on an ongoing basis.

This primary care provider can coordinate care with other health care providers. This is the best approach in using your health care benefits, and will provide your child the health care they need. Your child's health is important to all of us.

Finding a Medical Service Provider

The directory is separated into several sections. Within each section the participating providers are listed alphabetically by city. These sections were created so that you will be able to quickly find a provider by name and locate specific types of providers within your community.

Table of Contents

Participating Hospitals	1
Participating Inpatient Mental Facilities	3
Participating Freestanding Ambulatory Facilities	4
Participating Professional Providers (This section includes doctors, optometrists and podiatrists)	5

Participating Other Providers (This section includes nurse practitioners, physician assistants, audiologists, and physical and occupational therapists)	63
Participating Chiropractors	104
Participating Behavioral Health Providers (This section includes psychologists, professional counselors, social workers, and addiction counselors)	110
Participating Home Health Agencies	139

Every effort has been made to make this directory as accurate as possible. Blue Cross Blue Shield of Wyoming, however, assumes no liability for errors or omissions. If an error is made in a specific listing, please notify our office so that a correction can be made prior to subsequent director publications.

For additional information about our provider network, please contact our Member Services department at 1-800-442-2376, or in Cheyenne (307) 634-1393. You can also access our on-line provider directory at our website: www.WyomingBlue.com.
