## Introduction

This guide offers an overview of Blue Cross and Blue Shield ID cards, including what the symbols mean and how to use the information on them.

When BCBS members arrive at your office or facility, ask to see their current member identification cards at each visit. Doing so will help you:

- *Identify the member's product.*
- *Obtain health plan contact information.*
- *Speed claims processing.*

***Remember: ID cards are for identification purposes only; they do not guarantee eligibility or payment of your claim. You should always verify patient eligibility by calling 1.800.676.BLUE (2583)***

The following information is provided to assist your Plan with provider education about Medicare Advantage and inter-Plan business. While the information is believed to be accurate, you should review it carefully to make sure it is appropriate for use by your Plan. Please exercise caution when using the provider materials. Note that some areas of the materials may require customization with your Plan information, as indicated in parentheses and/or bold, and that discretion should be used regarding necessary changes and/or modifications to this material. This information does not constitute, and is not intended as, legal or financial advice.

## Alpha Prefixes

Most BCBS-branded ID cards display a **three-character alpha prefix** in the first three positions of the member's ID number. However, there are some exceptions. ID cards for the following products and programs do not have an alpha prefix:

- Stand-alone vision and pharmacy when delivered through an intermediary model\*
- Stand-alone dental products\*
- The BCBS Federal Employee Program (FEP) – The letter “R” appears in front of the ID number.\*

\*Follow instructions on these ID cards to verify eligibility, submit claims and obtain health plan contact information.

The alpha prefix is critical for inquiries regarding the member, including eligibility and benefits, and is necessary for proper claim filing.

- When filing a claim, always enter the ID number, including the alpha prefix, exactly as it appears on the member's card.
- Always include the member's ID number, including the alpha prefix, on any documents pertaining to services to ensure accurate handling by the BCBS Plan.

A member's ID number includes the alpha prefix in the first three positions and all subsequent characters – between 6 and 14 numbers or letters – up to 17 characters total. The following are examples of ID numbers with the alpha prefix highlighted:

### TIPS FOR SUCCESS

*Always use the alpha prefix on the member's current ID card. If there is no alpha prefix, do not create one or use an alpha prefix from another member's ID card, even one from the same BCBS Plan. Doing so may cause delays in the handling of your inquiries and claims. If the card presented has no alpha prefix, follow the instructions on the back of the ID card for inquiries and claim handling.*

## ID Cards from International Licensees

Occasionally, you may see ID cards from members of International Licensees. Currently those Licensees include Blue Cross and Blue Shield of the U.S. Virgin Islands, BlueCross & BlueShield of Uruguay, Blue Cross and Blue Shield of Panama, Blue Cross Blue Shield of Costa Rica and GeoBlue. If in doubt, always check with Blue Cross Blue Shield of Wyoming, as the list of International Licensees may change. ID cards from these Licensees will also contain three-character alpha prefixes and may or may not have one of the benefit product logos referenced in the following sections.

Please treat these members as you would domestic BCBS members (e.g., do not collect any payment from the member beyond cost-sharing amounts, such as deductible, coinsurance and copayment) and file their claims to Blue Cross Blue Shield of Wyoming.

Below is an example of an ID card from an International Licensee with the alpha prefix highlighted:

## Canadian ID Cards

**Please note:** The Canadian Association of Blue Cross Plans and its member plans are separate and distinct from the Blue Cross Blue Shield Association (BCBSA) and its member Plans in the United States.

You may occasionally see ID cards for members who are covered by a Canadian Blue Cross plan. Claims for Canadian Blue Cross members are not processed through the BlueCard® Program.

Please follow the instructions of Canadian Blue Cross plans as well as instructions on their ID cards for servicing their members. Canadian Blue Cross plans are:

Alberta Blue Cross  
Manitoba Blue Cross  
Medavie Blue Cross

Ontario Blue Cross  
Pacific Blue Cross

Quebec Blue Cross  
Saskatchewan Blue Cross

## Benefit Product Logos

Various logos may be displayed on member ID cards for BCBS Plans in the United States and International Licensees licensed through BCBSA. Member ID cards may include one of the logos below that identify the type of coverage the member has and/or indicate the provider's reimbursement level.

### TIPS FOR SUCCESS

*The appearance of a benefit product logo is not a guarantee of payment. A provider's reimbursement is based on a combination of the services covered under the member's benefit plan in conjunction with a provider's contract(s) with Blue Cross Blue Shield of Wyoming.*

Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

## Blank (Empty) Suitcase

A blank (empty) suitcase logo on the front of a member's ID card signifies that the member has out-of-area coverage that is not a PPO product. Benefit products that display a blank (empty) suitcase logo on ID cards include:

- Traditional
- Health Maintenance Organization (HMO)
- Point of Service (POS)

### Traditional, HMO and Limited Benefit Products Members

If you have a traditional/indemnity contract with Blue Cross Blue Shield of Wyoming and provide medical service to a member who has a blank suitcase logo on his/her member ID card (local member or out-of-area member), you will be reimbursed for services covered under the member's benefit plan, in accordance with the traditional/indemnity contract.

If you don't have a traditional/indemnity contract with Blue Cross Blue Shield of Wyoming but have a PPO contract and provide medical service to a member who has a blank suitcase logo on his/her member ID card (local member or out-of-area member), you will be reimbursed for services covered under the member's benefit plan, in accordance with reimbursement policies in effect at that time.

## PPO in a Suitcase

When you see the “PPO in a suitcase” logo on the front of an ID card, it means that the member has PPO- or EPO-type benefits available for medical services received within or outside of the United States. It also means that the provider will be reimbursed for covered services in accordance with the provider’s PPO contract with the local BCBS Plan.

Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

## PPOB in a Suitcase

When you see the “PPOB in a suitcase” logo on the front of an ID card, it means the member has selected a PPO/EPO product from a BCBS Plan and the member has access to BlueCard PPO Basic.

Introduction	Alpha Prefixes	Federal Employee Program ID Cards	ID Cards from International Licensees	Canadian ID Cards	Benefit Product Logos
Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

## No Suitcase

Some BCBS ID cards do not have a suitcase logo. These include ID cards for Medicaid (State Children's Health Insurance Programs [SCHIP] administered as part of a state's Medicaid program), Medicare complementary and supplemental products (also known as Medigap), and ID cards for members who do not have benefits outside of their local Plan's service area.

### TIPS FOR SUCCESS

*While Blue Cross Blue Shield of Wyoming routes all of these claims for out-of-area members to the member's BCBS Plan, most Medicare complementary or Medigap claims are sent directly from the Medicare intermediary to the member's BCBS Plan via the established electronic Medicare crossover process.*

### Medicaid Members

Members enrolled in a BCBS Medicaid product are issued ID cards that:

- Do not have a suitcase logo.
- Contain disclaimer language on the back of the card indicating benefit limitations for provider awareness, for example, "This member has limited benefits outside of Wyoming. Providers should request eligibility/benefit information."

BCBS Plan Medicaid ID cards do not always indicate that a member is enrolled in a Medicaid product.

Providers should submit an eligibility inquiry if the ID card has a disclaimer with benefit limitations and no suitcase logo, using the same tools that are available for BlueCard:

- BlueCard Eligibility Line
- BlueExchange

### TIPS FOR SUCCESS

*Medicaid charge limitations may apply to Medicaid claims. Contact Blue Cross Blue Shield of Wyoming for details on how this may affect your reimbursement.*

Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

## Medicare Advantage

### ID Cards

<b>Member ID cards for Medicare Advantage products display one of the benefit product logos shown here.</b>		Health Maintenance Organization
		Medical Savings Account
		Private Fee-for-Service
		Point of Service
		Network Sharing Preferred Provider Organization.

When one of these logos is displayed on the front of a member's ID card, it indicates the coverage type the member has in his/her BCBS Plan service area or region. However, when the member receives services outside his/her BCBS Plan service area or region, provider reimbursement for covered services is based on the Medicare-allowed amount, except in the case of PPO network-sharing arrangements.

#### TIPS FOR SUCCESS

*While all Medicare Advantage PPO members have suitcases on their ID cards, some have limited benefits outside of their primary carrier's service area. Providers should refer to the back of the member's ID card for language indicating that such restrictions apply.*

Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

## Consumer-Directed Healthcare and Healthcare Debit Cards

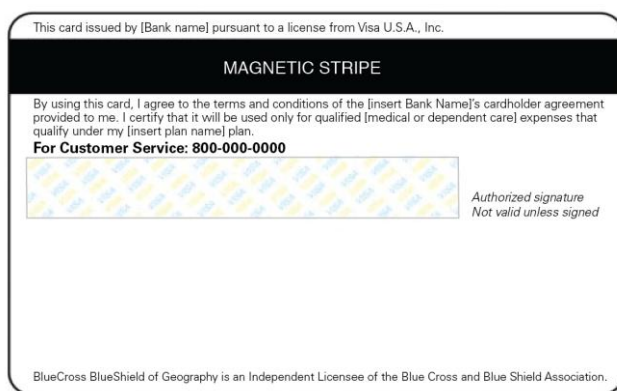

Members who have Consumer-Directed Healthcare (CDHC) plans often carry healthcare debit cards that allow them to pay for out-of-pocket costs using funds from their Health Reimbursement Arrangement (HRA), Health Savings Account (HSA) or Flexible Spending Account (FSA). All three are types of tax-favored accounts often offered by the member's employer to pay for eligible expenses not covered by the health plan.

Some cards are "stand-alone" debit cards that cover eligible out-of-pocket costs, while others also serve as a health plan member ID card. These debit cards can help you simplify your administration process and can potentially help:

- Reduce bad debt.
- Reduce paperwork for billing statements.
- Minimize bookkeeping and patient account functions for handling cash and checks.
- Avoid unnecessary claim payment delays.

In some cases, the card will display the Blue Cross and Blue Shield trademarks, along with the logo from a major debit card, such as MasterCard® or Visa®.

Below is an example of a stand-alone healthcare debit card:

Introduction	Alpha Prefixes	Federal Employee Program ID Cards	ID Cards from International Licensees	Canadian ID Cards	Benefit Product Logos
Blank (Empty) Suitcase	PPO in a Suitcase	PPOB in a Suitcase	No Suitcase	Medicare Advantage	Consumer-Directed Healthcare and Healthcare Debit Cards

Below is an example of a combined healthcare debit card and member ID card:

Members can pay for copayments and other out-of-pocket expenses by swiping the card through any debit card swipe terminal. The funds will be deducted automatically from the member's appropriate HRA, HSA or FSA account.

If your office currently accepts credit card payments, there is no additional cost or equipment necessary. Your cost is the same as what you would pay to swipe any other signature debit card.

#### TIPS FOR SUCCESS

- Use the member's current ID number, including alpha prefix, to determine the member's financial responsibility before processing payment. Check eligibility and benefits electronically through Blue Cross Blue Shield of Wyoming or by calling **1.800.676.BLUE (2583)**.
- Regardless of whether or not you collect the member's payment at the time of service, all services must be billed to Blue Cross Blue Shield of Wyoming to determine proper benefits and update the member's claim history.
- Please do not use the card to process full payment up front. If you have any questions about the member's benefits, please contact **1.800.676.BLUE (2583)**.

For questions about healthcare debit card processing instructions or payment issues, please contact the toll-free debit card administrator's number on the back of the card.
