Provider Highlights

Call BlueCard® Eligibility for Easy Access to Membership and Coverage Information

Not sure how to verify eligibility and benefits for out-of-area Blue members? First, look for the three-character prefix that precedes the identification number on the member's ID card.

Once you've located the prefix, you should call **BlueCard® Eligibility at 1-800-676-BLUE** to verify the patient's membership and coverage. Provide the member's prefix and you will be routed to the member's Blue Plan.

Remember to submit claims to **Blue Cross Blue Shield of Wyoming.**

If you're interested in facilitating quicker payments, take the easy route and submit an electronic eligibility inquiry to Blue Cross Blue Shield of Wyoming or access THOR to verify eligibility for out of area Blue members.

For further information, please contact Blue Cross Blue Shield of Wyoming at 1-800-442-2376 or visit our web site at bcbswy.com/providers.
