2027 Highlights

Getting the Most From Your **Health Care Plan**

Explore next year's plan highlights, including new plan options, enhanced benefits, digital tools, and affordability features designed to help you get the most from your health care coverage.

Health Savings Account (HSA) Qualifying Plans

All Bronze-level plans and the Gold Core plan qualify for a Health Savings Account. HSAs are triple-tax advantaged: contributions reduce taxable income and grow tax-free, and withdrawals for qualified medical expenses are tax-free. Plus, you'll receive a $25 match in your Health Equity HSA account when you register.

Wellness Reward

Get rewarded for taking care of your health by completing your annual wellness exam and completing your health assessment in the YourWyoBlue member account. As an added bonus, eligible subscribers and spouses who complete their annual wellness exam during the plan year will receive a $100 Amazon® gift card after BCBSWY processes the wellness exam claim.

24/7 Telehealth Benefit

Get care whenever and wherever you need it. All plans include 24/7 access to telehealth urgent care and mental health support via phone, computer, or tablet. $10 copays apply to some plans.

NEW Adult & Pediatric Dental

Several plans now include adult dental coverage in addition to pediatric dental. Qualifying plans have access to an expansive dental network across Wyoming.

NEW Pediatric Vision

All plans now include pediatric vision coverage powered by VSP. Qualifying in-network pediatric vision services are covered at 100% at no additional cost to you.

Nutrition & Weightloss Support

Our nutrition and weightloss programs go beyond the number on the scale by supporting the key areas that influence long-term health and well-being. Get personalized care for lifestyle & diet changes, sustainable weight loss, prediabetes, and type 2 diabetes reversal.

Special Delivery Maternity Care Program

Our program connects expecting mothers with essential services and support they need before, during, and after pregnancy. Special Delivery helps expectant and new parents across Wyoming navigate medical care, emotional well-being, and everyday challenges with coordinated resources and personalized support.

Enhanced Digital Tools & NEW Member App

Our *NEW* enhanced member account & app puts your health in your hands. Easily manage your coverage and benefits from anywhere, explore specialized health journeys, get support with our live chat tool, and more. The YourWyoBlue tool is accessible online and on your Apple or Android smart device.
