*Out-of-network maximum allowance is applied									

toward either an eye exam or contact lens evaluation.

Materials (Every 24 Months)						
Provider Network	In	Out	ln	Out	ln	Out
Frames Prescription Lenses Contacts	\$150 Max	\$100 Max	\$250 Max	\$200 Max	\$350 Max	\$300 Max

Any combination of materials can contribute to the maximum allowance. In-network discounts: 20% on frames/prescription lenses and 15% on contacts after allowance, excludes some retailers. Amounts over the maximum will be the responsibility of the member.

Provider Network Advantages

Blue Cross Blue Shield of Wyoming members have access to more than 102,000 eye care providers nationwide. Using network eye care providers can save your employees money by maximizing negotiated discounts and avoiding balance billing. Please visit BCBSWY.com/findadoctor to explore our provider network.

Vision Exclusions

Services for the conditions of hypermetropia (farsightedness); myopia (nearsightedness); astigmatism; anisometropia; aniseikonia and presbyopia will only be covered according to the benefits above. Benefits for examinations; eye glasses; contact lenses; visual analysis or testing of visual acuity; biomicroscopy; field charting; orthoptic training; servicing of visual corrective lenses; and consultations related to such services will be limited only to those benefits, if any, described above. Prescription sunglasses, oversized, photosensitive or anti-reflective lenses will only be covered up to the benefit maximum for lenses as defined.

This outline is designed to present Blue Vision benefits in an easy-to-read format and does not cover all information contained in the Benefit Booklet. Limitations and exclusions in addition to those presented in this outline do exist. This outline is not a contract. For exact benefits and limitations, please request a copy of the Benefit Booklet.
