Bifocal/Progressive Lenses	Up to \$60
Trifocal Lenses	Up to \$80
Elective Contact Lenses	Up to \$105
Visually Required Contact Lenses	Up to \$225

Vision Exclusions

Services for the conditions of hypermetropia (farsightedness); myopia (nearsightedness); astigmatism; anisometropia; aniseikonia and presbyopia will only be covered as described above. Benefits for examinations; eye glasses; contact lenses; visual analysis or testing of visual acuity; biomicroscopy; field charting; orthoptic training; servicing of visual corrective lenses; and consultations related to such services will be limited only to those benefits, if any, described above. Prescription sunglasses, oversized, photosensitive or anti-reflective lenses will only be covered up to the benefit maximum for lenses as defined.

This outline is designed to present Standard Vision benefits in an easy-to-read format and does not cover all information contained in the Benefit Booklet. Limitations and exclusions in addition to those presented in this outline do exist. This outline is not a contract. For exact benefits and limitations, please request a copy of the Benefit Booklet.

WYOMING

An independent licensee of the Blue Cross and Blue Shield Association
