HOW TO REGISTER FOR YOURWYOBBLUE SETUP & MULTIFACTOR AUTHENTICATION

Registration FAQ

What is Multi Factor Authentication?

Multi-factor authentication (MFA) is a security process designed to enhance your account protection. It requires you to provide verification via email address or phone number to confirm your identity.

Is Multi Factor Authentication required to register?

Yes, you must set up MFA to have a YourWyoBlue member account.

Can spouses and dependents have their own account?

Yes, your spouse and dependents ages 18 or older can have their own account.

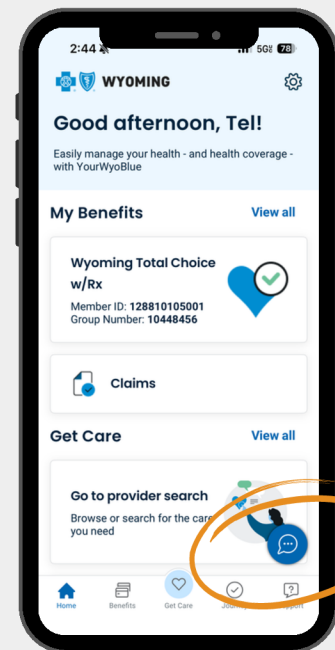

Can I access my dependents' or spouse's account?

You can access a dependent's or spouse's account if they have submitted a HIPPA authorization form allowing you to do so.

Questions?
