Why Choose Blue? (cont'd)

Coverage designed with affordability in mind.

Our plans include a range of cost-saving features* for groups from 1-50 employees designed to help your employees make the most of their coverage, including:

Preventive Coverage

All plans include coverage of preventive services like annual wellness visits, immunizations, and certain health screenings.

Urgent & Primary Care Copays

Many plans offer primary care appointments with a copay starting as low as \$20 per visit and urgent care visits as low as \$50 per visit (excludes extra services like labs, imaging, or minor procedures.)

Prescription Drug Copay Options

Certain plans offer copays on generic and preferred brand drugs starting as low as \$4 for generic and \$10 for preferred brand.

Embedded Dental

All plans include pediatric dental services at no additional cost and our Gold HealthPlus and new Platinum plans include adult dental at no additional cost.. (Additional dental plans and information on p. 9.)

Wellness & Care Coordination designed to support our members.

We offer a suite of programs to help employees reach their health and wellness goals, including*:

Heart Health

Helps members manage cardiovascular related health conditions like cholesterol and metabolic health.

Freedom from Nicotine

Supports members through quitting nicotine with resources, guidance, and encouragement.

Colon Cancer Screening

Offers Colon Cancer Screenings as a preventive benefit at no cost to qualified members.

Special Delivery - Maternity Support

Provides members access to essential care services before, during, and after pregnancy.

Nutrition & Sustainable Weightloss

Our nutrition and sustainable weight-loss program supports members with improving overall well-being, assisting qualifying members with managing prediabetes, Type II Diabetes, and weight management.

CarePath Care Coordination

Traveling outside your community for care? You may qualify for reimbursement of some gas, lodging, and meal expenses. You may also be eligible for help with out-of-pocket costs for certain deductibles, copays, and coinsurance.

^Telehealth offered and administered by MDLive on behalf of BCBSWY.

*Program eligibility and restrictions apply. For questions about wellness programs contact your Account Executive.

Health Plans & Administrative Services

Health/Medical

Our Small Group health care plans feature complete and comprehensive medical care coverage. All plans include primary care, specialist, hospitalization, prescription drug (see p. 8 for more info), and emergency services coverage.

Multiple Deductible Levels

We offer plans with several deductible levels, copay amounts, and premium options, allowing for flexibility of coverage and costs to fit you and your employees' lifestyle and needs.

Health Savings Account Plans

Several plans are eligible for Health Savings Accounts. We partner with Health Equity as our HSA service provider. Through Health Equity, members can manage their HSA balances, claims, and payments online and via the Health Equity mobile app.

24/7 Urgent Care & Mental Health Support

All Small Group plans include access to MDLive, our telehealth partner. MDLive offers members 24/7 access to urgent care treatments for hundreds of illnesses and injuries, including sprains, allergies, cold & flu, fever, and more. MDLive also provides virtual Behavioral and Mental Health support. All MDLive services are accessible via video call, telephone, and the MDLive mobile app.

Four Types of Enrollment

Small businesses offer four types of enrollment for employees:

Individual

Covers employees only.

Employee + Spouse

Covers the employee and their spouse.

Employee + Child(ren)

Covers the employee and their eligible dependent children.

Family

Covers the employee, spouse, and eligible dependent children.

Our Small Group plans come with included services facilitated by BCBSWY to optimize the management of your health care plan. Services include:

Things to Consider

Choosing benefits for your business starts with the right questions.

What matters most to you and your employees?

Cost and Value Questions:

- ☐ What kind of coverage can I offer?
- ☐ Do I want to provide multiple plan options?
- ☐ Do I want to offer extra benefits like dental, vision, or accident coverage?

Employee Benefit Questions:

- ☐ What kind of coverage do my employees need?
- ☐ Who can my employees reach out to with questions or concerns?
- ☐ How easy will it be for my employees to access and manage their benefits?
- ☐ What tools and programs can help employees take greater control of their health and wellness?

Next Steps & What to Expect

Ready to submit an application? Here are the steps to expect as you work with your account representative/broker through the process:

1. Review quote
2. Verify eligibility with your account representative or broker and select plan(s)
3. Distribute employee applications and secure employee elections for submission
4. Submit final insurance application with all necessary documentation
5. Submit necessary authorizations and permissions paperwork to your account representative/broker
6. Once added to the system, set up your Employer Portal account
7. Configure your account settings for billing and benefit administration
8. Pay your first invoice by the 1st day of the month in which coverage becomes effective
9. Employees will receive their health insurance card in the mail within 30 days of enrolling
10. You and your employees can start using your benefits after the coverage effective date
